Dear Parents,

First of all let us thank you for tirelessly supporting your child at Vienna Elementary School! You attend parent teacher meetings, after school programs, PTA functions, school events and much more. It is partly because of the busy schedules we all have that we are trying something new. Normally at this time of year we would be running a Fall Fundraiser where we ask you to sell items to raise money for the school.

This year we are trying the . . .

- **Un-Fundraiser** -

You do not have to buy or sell anything this year! And, **100%** of the money raised goes directly to help the PTA make Vienna Elementary a better place to learn and grow.

Based on the generosity of our VES families in past years, the PTA has been able to fund many exciting programs, purchase critical technologies for our students and support exciting training opportunities for our teachers. Your dollars directly benefit your children and the school. For example, did you know that the VES PTA funded the purchase of mobile computer labs and "Smart Boards" for your children's classrooms in previous years? Or that parent dollars paid for the unique Art Enrichment program, GRACE Arts, at VES?

And, we just keep getting better! This year, the VES PTA is very proud to announce the launch of a school garden and a significant technology acquisition. Please know that your dollars are critical to these programs and so much more.

Your generosity supports the following:

School Assemblies, After School Language Clubs, Cafeteria Rewards, Classroom supplies/books  
Colonial Day, Cultural Arts, Field Trips, School Garden (new); Library Books; Multicultural Night, Odyssey of the Mind, Reflections Program, Renaissance Day; Running Club, School Grounds/Equipment, Special Education, Staff Appreciation; Teacher Training, VA State Readers Program, A night of Art and dessert, and more....

We suggest a donation of **\$50 per family**, but **ANY** amount is appreciated. Please see the reverse side for payment details. Also, don't forget that the PTA is a 501(c)(3) organization, so your contribution is **fully tax deductible and eligible for employer matching fund programs**.

Thanks again for your continued support! **Vienna Elementary School** is a top-notch school because of **YOU!**

Sincerely,

Kathy Clark
