Limited slots are available and spaces are awarded on a first-come, first-served basis.

Please drop cash or check at or mail check to Mosby Woods Elementary School.

Make checks payable to "Fairfax Robotics" and write "Time For Robotics Summer Camp" on the envelope.

Some of the projects students have built at previous camps include: a personal Lamp, an electric car, a robot, a gravity maze, and more ...

Campers will:

- Build **take home projects** with a **variety of materials** while learning about multiple disciplines in **STEM (Science, Technology, Engineering, and Mathematics)**.
- Use real **motors** and **servos**.
- Learn concepts in **science, electricity, programming, artificial intelligence, engineering, robotics, and computer programming**.
- Prepare for competitive events such as Science Olympiad and Odyssey of the Mind.
- Learn **problem solving, logical thinking, and team work**.
- Solve interesting challenges by building robots to perform specific tasks.
- Work at their own pace and level and returning students will move on to the next level.
