9th Annual Vienna Elementary School PTA 5K Race And 1 Mile "Run for Fun"

Sunday, April 28, 2013

This race has turned into a featured Vienna event with many in the community involved. Last year over 700 people participated.

We are proud again to partner with **DC Road Runners**, the capital region's premiere running club. This partnership raises the quality of the event to include secure online registration, use of a **chronotrack** timing system to "chip time" the race on a USATF certified 5k course!
