

## VES Garden Summer Maintenance

As summer break approaches, we need to schedule volunteers to help maintain our school garden.

Please consider "adopting" our garden for one week this summer. Adopt the garden with some friends to make the experience even more fun!

Volunteering in the Garden is a great way to rack up service hours or work towards Scouting awards/badges!

Please contact Julie Philipp or Laura Magane Goyer for details, or look for the Sign-Up Genius on the PTA web site.
